PLAYLAND DAYCARE CENTER BOOSTER SEAT WAIVER AND RELEASE

By my signature below, I understand and agree that Playland Daycare Center may provide transportation by motor vehicle for my child(ren) for travel from Playland Daycare Center to and from school, parks, libraries, events, field trips, in case of emergency and other discretionary and necessary locations (collectively, "field trips"), and that I am not responsible for providing a booster seat for my child(ren)'s use during each of these pre-planned field trips. I understand Playland Daycare Center is committed to the safe transportation of my child(ren), and I therefore agree that Playland Daycare Center may use its own booster seat (which are replaced and checked regularly for my child(ren)). I further understand that by traveling with Playland Daycare Center, as with any activity involving motor vehicle transportation, my child(ren) may be at risk for personal injury. I hereby assume those risks, waive any and all liability against Playland Daycare Center for personal injuries or losses sustained by my child(ren) arising from the use of Playland Daycare Center booster seats, and forever discharge and release Playland Daycare Center, and any of its agents, employees, directors, officers, and volunteers, from any claim that I may have or that could be brought on my child(ren)'s behalf with regard to any damages, demands or actions whatsoever, arising out of the use of Playland Daycare Center booster seats. I hereby acknowledge that I have read and agree to the terms of this Waiver and Release, I fully understand it, and agree to be legally bound by it.

British Columbia's Child Seating and Restraint Systems Regulations (Division 36 of the Motor Vehicle Act), requires that all children weighing less than 40lbs be transported in a CSA approved child seat when travelling in a vehicle equipped with seat belts, AND, all children weighing over 40lbs up to their 9th birthday OR they reach 4'9" tall, whichever comes first, be transported in a booster seat. Please tick one of the following:

- My child is over 9 years of age OR over 4'9" - no booster seat required
- My child is over 9 years of age OR over 4'9" – no booster seat required, but I choose to have them remain in a booster seat
- My child is over 40lbs AND under 4'9" - booster seat required

On rare occasions, in some emergency situations, we will have to transport the oldest child in the front seat of a Playland Daycare vehicle or personal vehicle which holds maximum liability insurance. The airbags are not activated while the child is in the front seat. Please tick one of the following:

- I give permission for my child to ride in the front seat of a Playland Daycare or personal vehicle, while in a booster seat, in an emergency situation, and, as above, will hereby assume those risks, waive any and all liability against Playland Daycare Center for personal injuries or losses sustained by my child(ren) arising from the use of Playland Daycare Center booster seats, and while my child is sitting in the front seat, and forever discharge and release Playland Daycare Center, and any of its agents, employees, directors, officers, and volunteers, from any claim that I may have or that could be brought on my child(ren)'s behalf with regard to any damages, demands or actions whatsoever, arising out of the use of Playland Daycare Center booster seats or while sitting in the front seat. I hereby acknowledge that I have read and agree to the terms of this Waiver and Release, I fully understand it, and agree to be legally bound by it.
- I do NOT give permission for my child to be seated in the front seat of any vehicle at any time, until further notice, in which case I will sign a new waiver.
